About Us

From the Desk of Managing Director

Established in 2004, **Nikhil Plastic** has been a trusted name in the packaging industry, offering high-quality and customized packaging solutions. Over the years, we have built a strong reputation for innovation, quality, and customer satisfaction. We specialize in Non-woven Bags, B.O.P.P Laminated Bags, Screen Printing Bags, and B.O.P.P Pouches. With advanced technology and high-end Printing Techniques, we ensure superior-quality products that meet diverse packaging needs across various industries.

Keeping sustainability in mind, we have recently launched a new venture, '**The Bag Hub**', a unit of **Nikhil Plastic**. This initiative is dedicated to providing eco-friendly and sustainable packaging solutions, aligning with our commitment to environmental responsibility.

At **Nikhil Plastic**, we are committed to continuous innovation and exceeding customer expectations. Our dedicated team, state-of-the-art machinery, and strong industry experience drive us towards delivering exceptional quality and value to our clients.

MISSION

VISION

VALUES

Rajesh Chadha

Managing Director

WHY? THE BAG HUB

At THE BAG HUB, delivering quality product is our utmost priority. In each step of production of Non-Woven Bag quality checks are made very closely. High quality Fabric and Designs are made to serve your purpose.

DURABLE BAGS

The Bag Hub uses reliable material to produce Non-Woven Bags of International standards, able to hold large weights.

CUSTOM SOLUTIONS

As Bag Makers, we create customized bags that matches your Brand identity and pull your target Customers.

FASHIONABLE OPTIONS

Our generic bags are some of the most widely used bags for general purposes. With a classic, fashionable look. THE BAG HUB offers the best options in the market.

DRAG & ECO-FRIENDLY BAGS

THE BAG HUB Non-woven bags offer a feasible alternative to paper and plastic bags without causing any harm to the environment.

TIMELY DELIVERY

As major market players, we ensure timely delivery of quality Non-woven bags to our clients-thus making us reliable partners.

INNOVATIVE MARKET EXPERTS

At THE BAG HUB, we use the latest technologies and processes to achieve high grade bag quality. We also lead the market development in terms of innovation.
